GROUP VOICE CLASSES: (No audition or contract)

Group voice classes are offered with a focus in musical theatre and contemporary (hip-hop, jazz, rock, pop, R&B) styles. Classes are structured like private voice but in a group setting. This experience is beneficial due to the peer audience as students learn from one another while building their own confidence and performance ability. This class helps students apply instruction in technique and performance weekly. Additionally, group voice can be a cost effective option for those who are not able to afford private voice lessons. Students will perform four vocal solos yearly. GV students should consider taking an acting class in addition. (See below) Two will be performed for master classes and two will be performed in Utah COPA Solo Showcases. (See calendar below for dates).

Weekly training challenges students physically, imaginatively, and emotionally through activities that develop confidence while also gaining experience through regular in-class and public performances. Utah COPA students have gone on to receive roles in major local, regional and national stage productions from Sundance to Disney and even Broadway.
