GROUP VOICE CLASSES: (No audition or contract) Group voice classes are offered with a focus in musical theatre and/or contemporary (hip-hop, jazz, rock, pop, R&B) styles. Classes are structured like private voice but in a group setting. This experience is beneficial due to the peer audience as students learn from one another while building their own confidence and performance ability. This class helps students apply instruction in technique and performance weekly. Additionally, group voice can be a cost effective option for those who are not able to afford private voice lessons. Students will perform four vocal solos yearly. Two will be performed for master classes and two will be performed in Utah COPA Solo Showcases. **GV students who enroll in an acting or dance class will receive a 25% discount on the additional classes.**

Acting classes are designed for children and teens interested in preparing for and pursuing commercial and theatre opportunities. Industry experienced Instructors guide students through the differences in acting for stage, camera, and film so that they are prepared and well-versed to take on a variety of opportunities. Weekly training challenges students physically, imaginatively, and emotionally through activities that develop confidence while also gaining experience through regular in-class and public performances. Utah COPA students have gone on to receive roles in major local, regional and national stage productions from Sundance to Disney, movies and even Broadway. Acting students should consider taking a Group Voice class for corresponding age. Students will perform in two master classes and two Utah COPA Showcases yearly. (See calendar below for dates). **All acting students will receive a 25% discount on any open dance classes.**
