CYT: (COPA Youth Theatre)

CYT produces four shows a season including opportunities to work and/or perform with Broadway veterans and local professionals as part of their training. The unique focus of COPA Youth Theatre is that of process and not product. The director takes time to allow the actors to develop their own performance, encouraging the actors to make choices rather than be directed in every scene and song. This prepares the student to succeed in the professional world. COPA Youth Theatre is an outstanding force of education and growth for youth looking to experience music and the stage.
