

Draper Open Dance Classes Overview

Open Classes are for students who wants to improve training without auditioning for a company or entering a year long commitment. This student will receive excellent training and will perform in a Winter and/or Spring Concert only if the class is marked as performing. If class is not marked performing this is a technique class only.

*Student must complete a placement class to be officially enrolled in classes requiring placement. The Dance Artistic Director retains the right to move students up/down levels depending on skill level and age.
*schedule subject to change
